

TIPPING POINTS

Episode 6: Employee Development Program

Consistent and effective employee training is the key to success in any business.
Occasionally attending AHAA training is a move in the right direction - but is not enough.

Why is one brighter?

- New material is introduced with every class.
- It's an opportunity to reenergize.
- It's an opportunity to network and compare notes.
- You can never learn too much.

End of third quarter 2011 to end of second quarter 2012
